Product Summary

This is the tour for those that come to Venice for the first time, a great introduction to the history of Venice and its politics and social life. At the end of the tour enjoy a gondola ride, the perfect way to end your journey from the best point of view of the city: the water!

Product Description

Your expert guide will pick you up at your hotel and accompany you during the

walking tour. During the tour enjoy the visit of Piazza San Marco, entering the Basilica of San Marco, famous for its golden mosaics which date from Byzantine to the Renaissance periods and the Doge's Palace with reserved tickets to skip lines. You will be enchanted by the glorious history of the "Serenissima Republic" along with the imagery of the most important Venetian artist, Bellini, Titian, Veronese, and Tiepolo... who vividly and emotionally depicted their era.

The tour will lead you to Rialto to see the world's renown Ponte di Rialto and to discover the history of the ancient market. At the end of the tour walk from there with your private guide to the "Stazio" (the gondola's parking), ready to enjoy 30 minutes gondola ride: the perfect way to end your journey from the best point of view of the city: the water...
